Notes to the Financial Statements For the Year Ended 31 May 2018

The financial report covers Windale Gateshead Bowling Club Co-operative Limited as an individual entity. Windale Gateshead Bowling Club Co-operative Limited is a not-for-profit Company limited by guarantee, incorporated and domiciled in Australia.

The functional and presentation currency of Windale Gateshead Bowling Club Co-operative Limited is Australian dollars.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards - Reduced Disclosure Requirements, the Co-operatives (Adoption of National Law) Act 2012 and the *Corporations Act 2001*.

2 Summary of Significant Accounting Policies

(a) Income Tax

The Company is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(b) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership that are transferred to the Company are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments for operating leases, where substantially all of the risks and benefits remain with the lessor, are charged as expenses on a straight-line basis over the life of the lease term.

Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

(c) Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue from the sale of goods is recognised at the point of sale.

Gaming machine revenue is recognised at the point of sale and represents the difference between the amounts earned through gaming wagers less the payouts from those wagers. Liabilities are recognised for anticipated payouts for progressive jackpots.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

All revenue is stated net of the amount of goods and services tax (GST).

Notes to the Financial Statements For the Year Ended 31 May 2018

2 Summary of Significant Accounting Policies

(c) Revenue and other income

Donations

Donations and bequests are recognised as revenue when received.

Subscriptions

Revenue from the provision of membership subscriptions is recognised on a straight line basis over the financial year.

(d) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(e) Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first in first out basis and are net of any rebates and discounts received.

(f) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Items of property, plant and equipment acquired for nil or nominal consideration have been recorded at the acquisition date fair value.

Freehold land and buildings

Freehold land and buildings are measured using the cost model. The carrying amount of freehold land and buildings is reviewed to ensure it is not in excess of the recoverable amount based on valuations by external independent valuers, less subsequent depreciation for buildings, undertaken every 3 to 5 years

In periods when the freehold land and buildings are not subject to an independent valuation, the directors conduct director's valuations to ensure the carrying amount for the land and buildings is not materially different to the fair value.

Increases in the carrying amount arising on revaluation of land and buildings are credited to a revaluation reserve in equity. Revaluation decreases that offset previous increases of the same class of assets shall be charged against fair value reserves directly in equity. All other decreases are recognised in the profit and loss.

Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the

asset and the net amount is restated to the revalued amount of the asset.

Freehold land and buildings that have contributed at no costs, or for nominal cost, are initially recognised and measured at the fair value of the asset at the date it is acquired

Plant and equipment

Plant and equipment are measured using the cost model. In the event the carrying amount of plant and equipment is greater than the estimated recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount and impairment losses are recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present,

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the Company, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

is reviewed. Any revisions are accounted for prospectively as a change in estimate,

Fixed asset class	Depreciation rate
Buildings	20-40 years
Plant and Equipment	1-20 years

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset

(g) Financial instruments

Financial instruments are recognised initially using trade date accounting, i.e. on the date that the Company becomes party to the contractual provisions of the instrument,

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

(i) Impairment of Financial Assets

Impairment of financial assets

At the end of the reporting period the Company assesses whether there is any objective evidence that a financial asset or group of financial assets is impaired.

Financial assets at amortised cost

ABN: 94 060 243 775

Notes to the Financial Statements For the Year Ended 31 May 2018

2 Summary of Significant Accounting Policies

(g) Financial instruments

(i) Impairment of Financial Assets

If there is objective evidence that an impairment loss on financial assets carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the financial assets original effective interest rate.

Impairment on loans and receivables is reduced through the use of an allowance accounts, all other impairment losses on financial assets at amortised cost are taken directly to the asset. Subsequent recoveries of amounts previously written off are credited against other expenses in profit or loss.

Available-for-sale financial assets

A significant or prolonged decline in value of an available-for-sale asset below its cost is objective evidence of impairment, in this case, the cumulative loss that has been recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment. Any subsequent increase in the value of the asset is taken directly to other comprehensive income.

(h) Intangibles

Poker machine entitlements

Poker machine entitlements are recognised at cost of acquisition. Directors have assessed that poker machine entitlements have an indefinite useful life. These assets are tested annually for impairment and carried at cost less accumulated depreciation.

(i) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Bank overdrafts also form part of cash equivalents for the purpose of the statement of cash flows and are presented within current liabilities on the statement of financial position.

(j) Employee benefits

Provision is made for the Company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on high quality corporate bond rates incorporating bonds rated AAA or AA by credit agencies, with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

3 Critical Accounting Estimates and Judgments

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - impairment of property, plant and equipment

The Company assesses impairment at the end of each reporting period by evaluating conditions specific to the Company that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

The freehold land and buildings were independently valued at 22 September 2014 by Preston Rowe Paterson. The valuation was based on the fair value less cost of disposal. The critical assumption adopted in determining the valuation included the location of the land and buildings, the current demand for land and buildings in the area and recent sales data for similar properties. The freehold land and buildings were valued at \$3.9 million.

At 31 May 2018, the directors have performed a directors' valuation on the freehold land and buildings. The directors have reviewed the key assumptions made by the valuers at 22 September 2014 and do not believe there has been a significant change in the assumptions as at 31 May 2018. The directors therefore believe the carrying amount of the land correctly reflects the fair value less cost of disposal at 31 May 2018.

Key estimates - depreciation and amortisation rates

The Company estimates the useful life of fixed assets from the acquisition date and depreciates the amount on a straight line basis. Key assumptions are made about the useful life of the fixed assets based on similar assets they have held previously and their knowledge of each type of fixed asset.

Windale Gateshead Bowling Club Co-operative Limited

Independent Audit Report to the members of Windale Gateshead Bowling Club Co-operative Limited

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Windale Gateshead Bowling Club Co-operative Limited (the Company), which comprises the statement of financial position as at 31 May 2018, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Company is in accordance with the Corporations Act 2001, including:

- (i) giving a true and fair view of the Company's financial position as at 31 May 2018 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards Reduced Disclosure Requirements and the Co-operatives (Adoption and National Law) Act 2012, the Co-operatives (New South Wales) Regulation 2014 and the Corporations Regulations 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Windale Gateshead Bowling Club Co-operative Limited

Independent Audit Report to the members of Windale Gateshead Bowling Club Co-operative Limited

Responsibilities of Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Neil (Sator)

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.
